Claims 11-19 are pending in this application.

Priority

1 This application is a divisional of the US. Application No. 10/276,140 filed on 11/12/2202 and now a US. Patent No. 6,726,730 which is a 371 of PCT/EP01/12806 filed on November 6, 2001.

EXAMINER'S AMENDMENT

2 An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with William Valance on October 14, 2004.

The application has been amended as follows:

In the specification:

In page 1, under the subtitle "CROSS-REFERENCE" replace "10/276,410" by -- 10/276,140--. In the second line under the above subtitle insert -- Now a US. Patent No. 6,726,730 which is a 371 of PCT/EP01/12806 filed on November 6, 2001-- after the term "2002".

3 Claims 11- 19 are allowed.

STATEMENT OF REASONS FOR ALLOWANCE

4 The following is an examiner's statement of reasons for allowance:

The closest prior art of record (DE 2031907) teaches a compound having a formula in which a nitro (NO₂) and a cyano (CN) groups are attached to the benzene ring in the benzthiadiazole compound (see abstract and page 2, the formulae). However, the patentee differ from the applicant in that the prior art of record does not teach or disclose a compound having the limitations of V and W in the compound of the claimed formula (I). Further, the prior art of record does not teach or disclose a method for dyeing hair or an agent for dyeing hair comprising at least one 7-nitro-2,1,3-benzthiadiazole compound of the claimed formula (I). Accordingly, the claimed subject matter as a whole would not have been obvious to one having ordinary skill in the art of hair dyeing formulation or in the art of synthetic chemical compounds.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Eisa B Elhilo whose telephone number is (571) 272-1315. The examiner can normally be reached on M - F (8:00 -5:30) with alternate Friday off.
